

In 2004 The San Pedro Sun launched a Visitor Guide publication which was inserted into the weekly newspaper. It became a very popular and vital part of the newspaper, and each and every week the Visitor Guide contained new and engaging articles about what to see and do on Ambergris Caye and beyond.

In January 2013 the Visitor Guide was rebranded and became a full-color monthly magazine with a new website to complement the printed version, thus **My Beautiful Belize** was born.
